

How to Download Library eBooks to Your Kindle Fire

Download an eBook to Your Kindle Fire

Note: You will need to be connected to a Wi-Fi network in order to search for and download library eBooks to your Kindle Fire.

1. Using the Kindle Fire's Internet browser, go to **http://downloads.live-brary.com**.
2. From this website, to find a Kindle eBook to read you can...
 - Click on a book cover
 - Click on a genre link to browse
 - Try a search by title or author
3. To sign in, click **Sign In** at the top of the screen or on the **Account** icon.
 - Select your home library and sign in with your library card number or username.
4. Most titles can be borrowed for 14 days. You can change this to 7 days by clicking on **(Change)**.
5. When you find an available *Kindle eBook* you want to read, click **Borrow**. Your eBook selection will be immediately checked out to you.
 - *Kindle devices can only download Kindle eBook formats.*
 - If an item is currently unavailable, you will see a **Place a Hold** button. Click this button and enter your email address. You will be notified by email when a copy is available.
6. Click **Go to Bookshelf**.
7. When looking at the book(s) checked out to you on your **Bookshelf**, click the **Download** button, check the box next to **Kindle Book**, and click **Confirm & Download**.
8. You will be redirected to Amazon.com, where you will click the **Get for Kindle** button to get your library eBook.
 - If you're already signed into Amazon: From the drop-down box, select where you want the eBook delivered to. Then click **Continue** to deliver it to your device.
 - If you're not already signed in: click **Get library book** then sign in.
9. You will see acknowledgement that the eBook has been transferred to your device and the eBook will be immediately downloaded.
 - If you do not see the eBook, synchronize your Kindle.
10. Library eBooks will expire when the loan period is up but if you wish to return an item early:
 - Log into your Amazon account and go to **Manage My Kindle**
 - Tap the drop-down menu to the right of the item you wish to return
 - Tap Return
