Together We Grow Readers

2023 Summer Reading Club

Join Us This Summer
At the Harborfields Public Library
June 26 to August 11

Children of all abilities ages 4-years-old to 10-years-old (entering 5th grade) are invited to enjoy a summer filled with reading challenges and activities!

- Earn points, badges and enter raffles for great prizes by reading books or listening to audiobooks, and by participating in bonus point missions.

- You can complete this year's club entirely online and/or by visiting the Children's Room and reporting in-person.

Scan the QR Code to visit the Children's Room Online for updates on the Summer Reading Club, special programming, new releases, and more.

- To join the fun you must first sign into your existing READsquared account or register online through READsquared. This online reading program can be accessed on the Library homepage or through the link on the Children's page. You can download the app on your device from Google play or the Apple store. Select "Harborfields Library" when you register.

To complete the club you will need to earn a total of 400 points.

(You MUST complete the club for the chance to receive a raffle basket.)

- **Every book you log and bonus point mission you complete is worth 50 points.**

- **For every 50 points you earn, up to a maximum of 400, you may visit the library for an in-person report and a chance to spin the prize wheel.**

- **You may earn only 50 points per day.**

- **For every 50 points you earn, you may redeem a raffle ticket in ReadSquared for a chance to win one of the six raffle baskets on display in the Children's Room.**

- **Keep reading! When you earn over 400 points your name will automatically be entered into our Bonus raffle.**

You will also have a chance to name our stuffed animals and answer some challenging clues in READsquared.

The Summer Reading Club can be customized to meet the needs of children of all abilities. Please call or email Mrs. Moisan in the Children's room at pemoisan@harborfieldslibrary.org for more information.
