

# The School on the Map

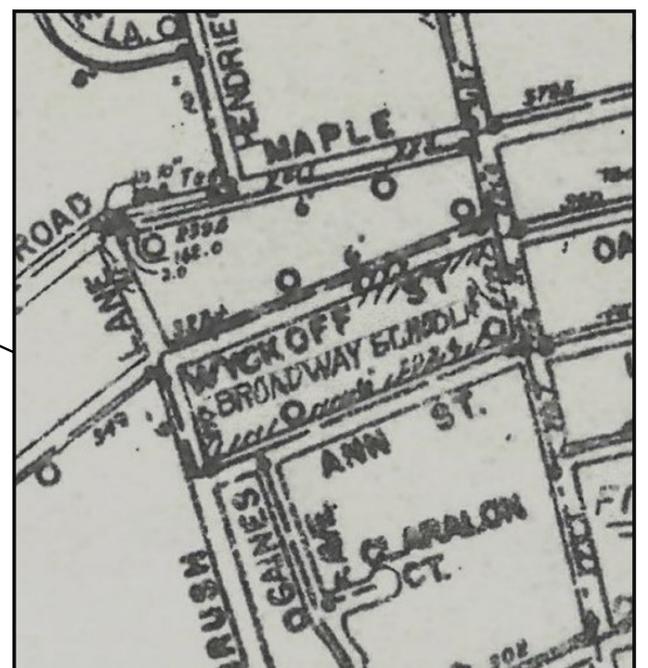

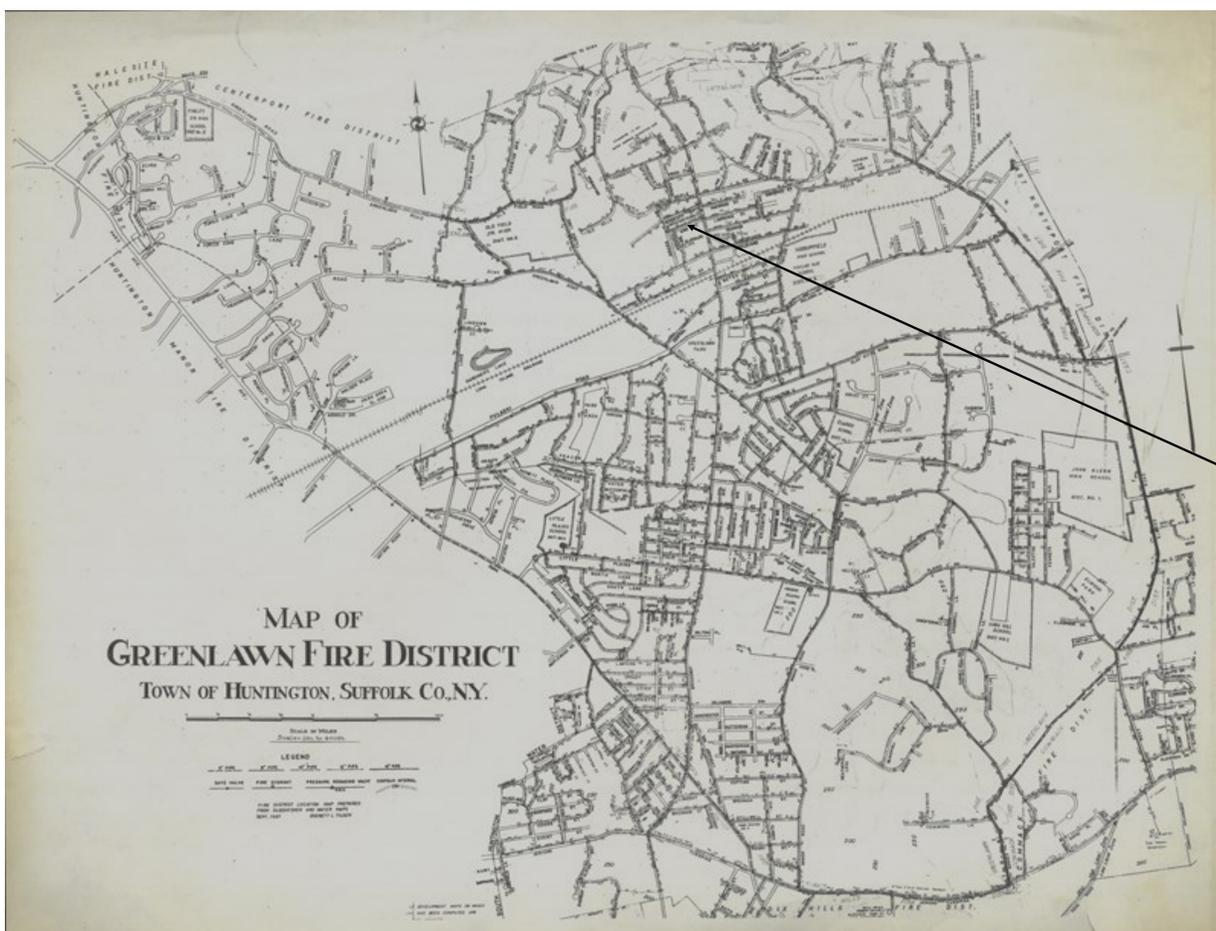

United States Department of the Interior - Geological Survey

Greenlawn, N.Y.

Se/4 Northport 15' Quadrangle,  
N4045—W7315/7.5

Dated 1954

Upon zooming into the map, the original “E” shape of the Broadway School stands out amongst the dots of homes and other buildings. The “E” shape was a personal design choice by Norman B. Baker, allowing for future expansions to the building.
