AUGUST 2022 NEWSLETTER

## VISIONS *of experience*

### 34<sup>TH</sup> Annual Senior Art Show

In the Art Gallery September 1 - 27, 2022

The famous sculptor Henry Moore once said that to be an artist is to believe in life. Using that same sentiment we invite all local artists aged 60 and above, to exhibit their original recent art work in our 34th Annual Senior Art Show. This is an opportunity to meet other artists of all levels and showcase your talent to the community. This year we are thrilled to announce that we will be hosting an Art Reception on Wednesday, September 7, from 5:00 - 6:30 PM. Refreshments will be served.

Pick up an Exhibition Agreement & Release form application from the Adult Reference Desk, or online, and review the guidelines for submitting your work. Bring the form with you when you drop off your art.

**Drop off: Monday, August 29,  
10:00 AM to 4:00 PM.**

***At this time we will ask to take a photo of you  
and your art work for our video presentation.***

Art Pick up: Wednesday, September 28,

Initiative

The Harborfields Public Library Sustainability Committee, pictured here, spearheaded by Susan Matthews, former Head of Reference, front center, is working on several projects to encourage the community toward a more sustainable future. Although recently retired, Susan continues to be involved, and invites all members of the community to join in our efforts. Watch for ways you can help listed in our newsletter each month.

### Trex® Plastic Bags Collection Continues

Thanks to our eco-conscious community we've reached our goal of collecting 500 lbs of plastic and earned a new high-performance composite bench for our library! The Trex® recycling campaign was started six months ago as part of our commitment to sustainability. We will continue to collect clean plastic wrap and bags for recycling. This not only helps keep thousands of pounds of waste out of landfills, but also helps Trex® continue to make eco-friendly outdoor products. **NexTrex**
